Dear Arnold,

We at Consolv Consulting Engineers would like to thank you for the professional way your company have handled the projects we worked on together.

The Emoyeni Total Filling Station is the latest project we have done with Nelspruit Iron & Steel, again completed on schedule and with the normal competent and professional attitude we have become accustomed to.

Also we appreciate your personal involvement, availability as well as the attention that you and your field and office staff dedicated to the projects on which we have worked.

We value your professionalism and we look forward to continue to work with Nelspruit Iron & Steel on future projects.

Sincerely

S.J.Triegaardt Pr.Eng
